ORNATE®

Ornate Tire Co. Ltd is an expert tire company that specializes in tire design, manufacturing, and domestic and international trading. Ornate own and produce a comprehensive line of products that covers the TBR range, and received numerous Certificates, including DOT, GCC, ECE, REACH, LABLE, and NOM, among others.

With a history spanning over 16 years in the tire industry, Ornate has established a fully integrated sales network in both domestic and international markets. Every tire comes with a full three-year manufacturer's warranty.

At Ornate, we are dedicated to delivering high-quality products and exceptional service to all of our partners across the globe. This is made possible by the diligent efforts of our hardworking team.
